

Fees regulation

(Sept. 2020)

Childrens house

The fees for Nido, Casita and Casa comply with the statutes of fees of the community of Schmitten. There are only monthly fees to be paid. Please see the following table.

Monthly fees

The monthly fees are only payable via standing order. They are due at the beginning of the month (by the 3. workday every month) and need to be paid for 12 months. Please install a standing order with your bank that ensures fee payment by the 3. workday each month.

As lunch is an important part of the pedagogical concept of Montessori-EcoSchool, it is mandatory to take part. The costs for lunch are passed on to the parents/guardians according to the invoice of the caterer.
